### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

In December 2005, the County of San Diego Probation Department (CSDPD) applied for the State OTS grant targeting DUI offenders on probation entitled "the California Probation Adult Felony and Repeat DUI Offender Program." The grant application was submitted on behalf of 17 county probation departments, including the County of Los Angeles. CSDPD was the lead agency on the grant and served as the grant administrator.

The purpose of the grant funds was to help reduce the number of alcohol related traffic accidents by maximizing the ability to supervise caseloads for probationers with multiple DUI convictions. Due to the large number of DUI cases, Probation targeted the Pomona Valley area in the County of Los Angeles. On June 29, 2006, your Board adopted a resolution to support Probation's participation in the California Probation Adult Felony and Repeat DUI Offender Program.

Probation's allocation for this program was \$1,764,046 over a three-year period, commencing June 1, 2006 through May 31, 2009.

In November 2007, OTS released a grant application for the DUI Enforcement Program. Probation submitted its application to OTS on January 31, 2008.

On May 28, 2008, OTS approved Probation's funding request in the amount of \$962,559 for the period of October 1, 2008 through September 30, 2010. On November 12, 2008, your Board adopted a resolution to support Probation's participation in the DUI Enforcement Program.

On August 3, 2010, your Board adopted a board letter to support Probation's participation in the Intensive Probation Supervision for High-Risk Felony and Repeat DUI Offender Program. Funding for this program was used to continue the established services in the Pomona Valley area.

On August 30, 2011, your Board adopted a board letter to support Probation's participation in the Intensive Probation Supervision for High-Risk Felony and Repeat DUI Offender Program. Funding for this program is currently being used to continue the established services in the Pomona Valley area.

Current program services include:

- Intensive supervision and enforcement including different levels of reporting requirements
- Alcohol, breath and drug testing,
- Monitoring of treatment participation, home visits, and use of electronic monitoring techniques and devices
- Sobriety Checkpoints

In January 2012, OTS released the Federal Fiscal Year 2012 grant application for the Supervision for High-Risk Felony and Repeat DUI Offender Program. Probation submitted its application to OTS on April 6, 2012. On July 27, 2012, OTS tentatively approved Probation's funding request in the amount of \$268,000 for the Federal Fiscal Year 2012-2013. Probation intends to continue funding the program currently established in the Pomona Valley area, and expand the program to the San Gabriel Valley area for the period commencing October 1, 2012 through September 31, 2013.

#### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The OTS funds will allow Probation to continue its current DUI-related services in the Pomona Valley area and expand the program to the San Gabriel Valley area.

Respectfully submitted,
